

A popular, “green” capability since 2009!

Save Money on Printing and Postage costs by moving Payroll Checks from Timberline into Abra ESS! Expand Abra HR – Timberline Payroll software capabilities...

- Move Timberline Payroll checks directly to Sage Abra Workforce Connection – ESS.
- Employees with ESS access can view their payroll checks and check history online.
- This saves your company time printing, stuffing, and organizing direct deposits.
- This also saves distribution costs where direct deposit no longer have to be mailed or delivered.
- Take advantage of 100% direct deposit or a paycard service; move toward “paper-less”.
